

Completions: 2016-2021

The reporting period for this report is the 12-month time period beginning July 1 of the previous calendar year and ending June 30 of the current calendar year. For example for fiscal year 2019: period is July 1, 2018 and June 30, 2019.

This report represent information on the awards that PCC students received during the most recently completed fiscal year, including certificates and degrees for credit programs, and certificates of completion awards from the Center for Training and Development. This report also includes trend data on awards by program.

Completers: Each student is counted only once (unduplicated count), regardless of the numbers of awards they received.

Completions: Students may be counted more than once if they received more than one award (duplicated count).

Science, Technology, Engineering, and Mathematics (STEM) fields are identified by Curriculum & Articulation Services Department.

Degrees:

Associate Degrees (AA, AAA, AAS, AB, AFA, AGS, AS)

Post-Degree Certificate (CERA)

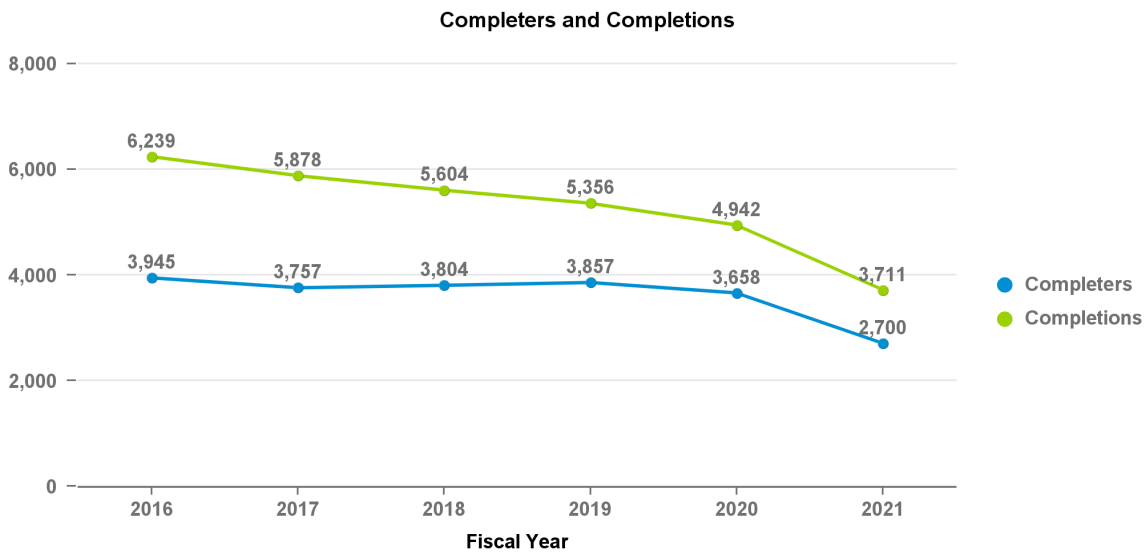

Certificates of Completion (CERT, AGECA, AGECEB, AGECS)

Center for Training and Development Certificates (CTD)

Completers and Completions Trend
